

# QuickStart

*Start workflows in seconds.*

**Simple setup, instant momentum.**

Create automated flows, invite teammates and track progress — all from your phone.  
Onboarding takes minutes, not hours.

Step 4: Finalize your profile

## Complete your profile

Add optional details so FlowStart can personalize suggestions, routines and match you with relevant content. You can skip and add them later.

Upload Photo

Use Camera

JPEG or PNG. Square recommended. You can crop after capture. This is optional.

Full name (optional)

e.g., Sofia Martinez

Your name appears on personalized content and messages. You can change it anytime.

Date of birth (optional)

138

138

138

Used only to verify eligibility for age-based features and to personalize content. Not publicly shown.

Interests

Optional

Tap a few topics you like — this helps tailor tips and recommendations. You can pick more later.

Productivity

Design

Health

Travel

Finance

We only use optional details to personalize your FlowStart experience. [Privacy Policy](#)

Skip for now

Complete Profile

By continuing you agree to FlowStart's terms. You can update these settings later in Account > Profile.

Quick Start

## Success!

Your Quick Start account is all set up and ready to help you achieve your goals.

- ✓ Your account has been created
- ✓ Your preferences are saved
- ✓ You're ready to go!
